### ABSTRACT:

Beyond the skin's surface lies a complex mosaic of emotions, experiences, and physical sensations. Psoriasis is a chronic skin condition, has been a persistent challenge for clinicians and patients alike, affecting millions worldwide. The emotional toll of psoriasis cannot be overstated, with patients often experiencing embarrassment, anxiety, and decreased quality of life. Homeopathy offers a holistic approach to treating psoriasis, considering the intricate interplay between physical and emotional symptoms

**Keywords:** Psoriasis, Kali Sulph, Keynote prescription, Sycotic Miasm
