### ABSTRACT

Adoption is a process whereby a person assumes the parenting of another usually a child from that person's biological or legal parent or parents permanently transfers all rights and responsibilities along with filiations from the biological parent or parents. To have a kid is parents biggest happiness. Adoption seems to be the most effective way of achieving this joy. Adoption can be the Loveliest option not only for single parent and childless couples.

KEYWORDS \_ Parents \_ Child, Adoption laws, Intercountry Adoption.
