ABSTRACT

Vishahara trimoorthy is a concept explained in Visha Vaidya Jyotsnika. As the name indicates it consists of three anti poisonous (vishahara) drugs which includes Nimba, Neeli and Karanja. The name also depicts its importance in visha chikitsa. Kerala has a renowned tradition in the field of Agada tantra. Visha Vaidya jyotsnika is one among the visha Vaidya granthas which is most popular and widely practiced by Visha vaidyas of Kerala. Many simple and easily available drugs are explained in this book. According to visha Vaidya jyotsnika, the trio named Vishahara trimoorthy can be used for internal and external applications in Visha conditions. Here an attempt is taken to explore the usage of these drugs in various vishaja vikaras.
